2001 EXCELLENCE IN TRANSPORTATION AWARDS PROGRAM

Since 1986, the Excellence in Transportation Awards program has recognized outstanding design, construction, technology innovation, and transportation system operation. For the 2001 Year Awards, winners were chosen from a field of 95 entries in ten categories by an independent panel of jurors. The winning entries included projects produced by Caltrans as well as projects developed by local and regional transportation organizations and consultant firms.

A list of winners follows:
